Resolution No. 171-2026

**AUTHORIZATION TO ENTER INTO A PROFESSIONAL SERVICES
AGREEMENT WITH RYAN BIGGS CLARK DAVIS ENGINEERING, DPC
TO PROVIDE STRUCTURAL ENGINEERING DESIGN AND
CONSTRUCTION INSPECTION SERVICES ASSOCIATED WITH LIMITED
STRUCTURAL REPAIRS TO THE STUYVESANT FALLS BRIDGE**

UPON, recommendation of the Public Works committee, at a special meeting held on the 8th day of April, 2026; and of the Finance Committee at a special meeting held on the 8th day of April, 2026;

WHEREAS, red flags were issued by NYSDOT requiring a level 1 load rating to be performed to establish a safe posted load rating and/or potential repairs to maintain the current posted state; and

WHEREAS, Ryan Biggs Clark Davis Engineering & Surveying has completed a load rating analysis and has issued correspondence dated March 2, 2026 providing a summary of their findings along with recommendations for repairs to the bridge structure that will allow it to be reopened with a limited load rating that will maintain the current load posing of 12 tons; and

WHEREAS, after reviewing the recommendations and repair options at the March meeting of the Columbia County Public Works Committee, it was determined to move forward with alternative path forward (APF 3), as described in the March 2, 2026 correspondence that result in limited structural repairs to the bridge structure and restore the load posting to 12 tons; and

WHEREAS, it is required that the preparation of engineering drawings, specification and bidding documents are required to advance the repairs to the structure; and

WHEREAS, after reviewing the proposal for engineering services that was received, the County Engineering Department has found that the quotation received from Ryan Biggs Clark Davis Engineering & Surveying is reasonable, and whose past performance, reputation, and capability is deemed acceptable, and who has offered the most advantageous pricing to the County; and

WHEREAS, the work shall be funded through the County Bridge/Roadway repair account H1-5E-5111-4000-E4000;

NOW, THEREFORE BE IT

RESOLVED, that authorization is hereby granted for the Chairman of the Board of Supervisors to enter into a professional service agreement with Ryan Biggs Clark Davis Engineering, DPC of Clifton Park NY, in the amount not to exceed \$38,900.00, to provide structural engineering design and construction inspection services associated with limited structural repairs to the Stuyvesant Falls Bridge (BIN 3342250) located on County Route 25A over the Kinderhook Creek, in the Town of Stuyvesant.; and be it further

RESOLVED, that this contract is subject to the review and approval by the County Attorney's office; and be it further

RESOLVED, that certified copies of this resolution be forwarded to the Columbia County Attorney and the Columbia County Treasurer and posted to the Board of Supervisors website.
